

TOP 10 REASONS TO CONSUME GREENWOOD HEALTH PRODUCTS

1. Natural health practitioners have been using Greenwood Health products for over 17 years. This proven track record provides ample credibility that the products work. Many people have been loyal customers for more than a decade.
2. The products offer natural solutions for common health concerns.
3. The nutritional formulas are unique. These are not “me-too” products and they are not available anywhere else.
4. Affordable prices (Buy two products and get a third product free). Trial sizes are also available. Bulk prices offer spectacular savings.
5. The products are safe. There are no side effects - only side benefits.
6. Quality ingredients (potent extracts) in therapeutic amounts (no fairy dusting). The owner will not compromise quality for profit, unlike a lot of other companies.
7. The products contain only natural fillers and excipients.
8. An ounce of prevention is worth a pound of cure. The products are not designed to treat symptoms. They are designed to provide necessary nutrition to allow the body to maintain balance.
9. The products are synergistic and can be combined for additional benefits.
10. 100% Money Back Guarantee - NO RISK.

TOP 10 REASONS TO PROMOTE GREENWOOD HEALTH PRODUCTS

1. Free to join.
2. Free marketing tools (website, weekly live conference calls, etc.)
3. Free to earn. No purchase requirements to earn 20% first level commissions. Those with little or no disposable cash can still earn commissions with no investment. Monthly requirements can be met by any combination of retail sales or personal purchases.
